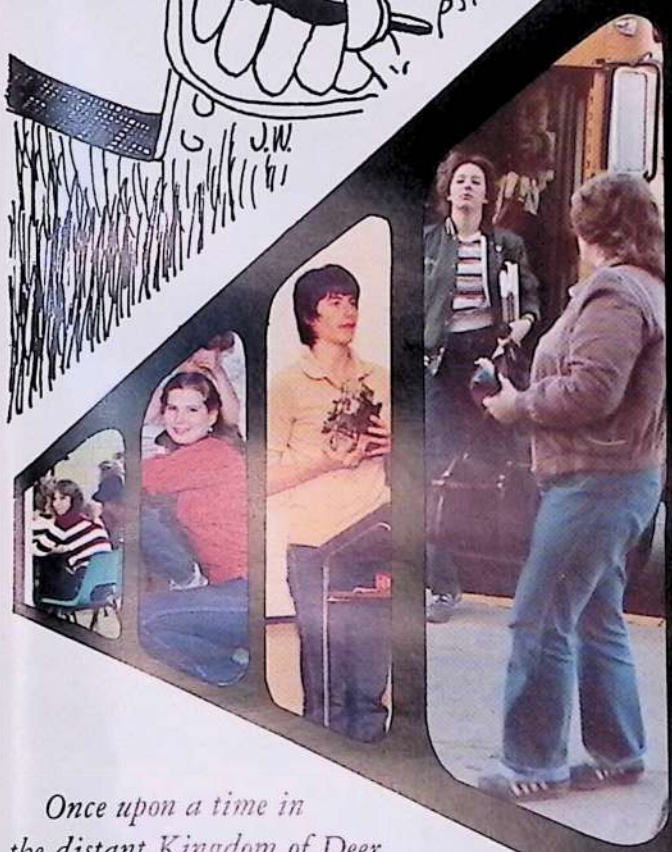
# TALE OF THE SERFS OF '82

## "The Stars of The Show"



*Once upon a time in the distant Kingdom of Deer Lakes, there lived a huddling of serfs. Under the rule of King Thomas, their union contract was up in 1982 A.D., but first they had to complete four grinding years of work under the king's vassals.*

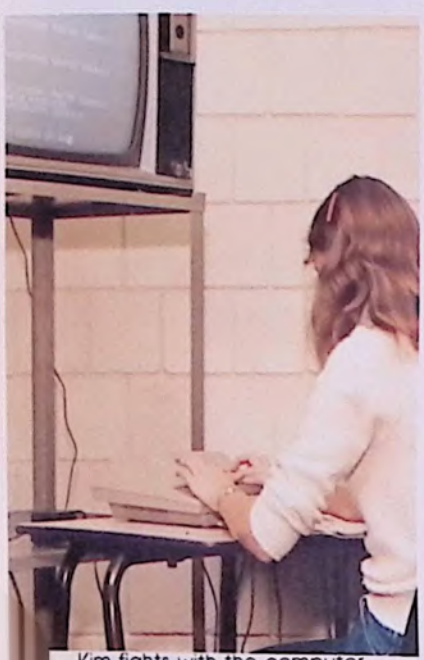
Under these vassals (known to some as teachers), the poor serfs were trained in mathematics, science, and languages . . . things that any true peasant would hate.

Being forced to watch educational filmstrips!

Slaving away in Mr. Whartenby's classes.

Phil checks out his bacteria

Amy and Jen make stats fun!

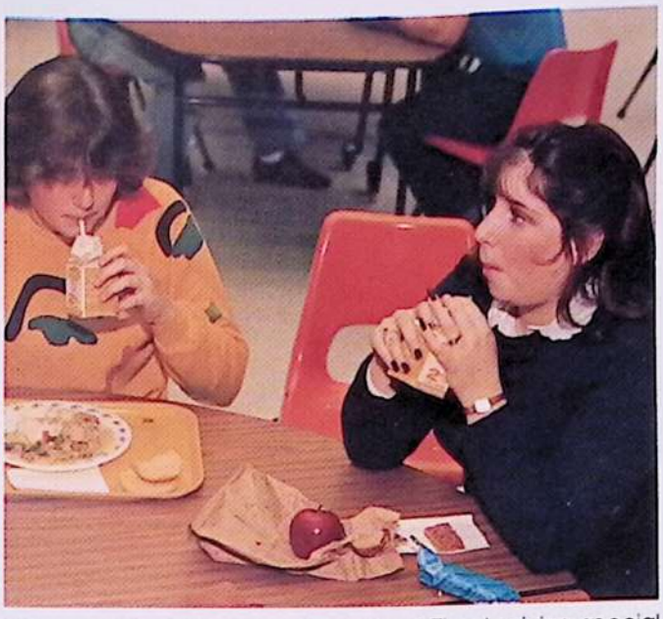


Kim fights with the computer.

Robin studies the theater in English.

Kathy works on her science requirements.

The local serf football team eats lunch together



Mary and Paulette enjoy the annual Thanksgiving special.

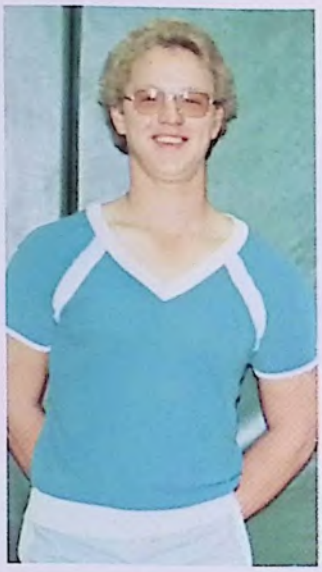
Yes Paul, that is real turkey!

A visit with Michele.

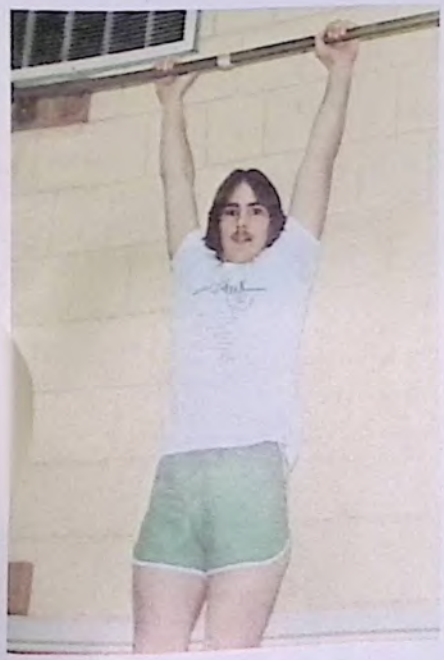
They were also herded into large rooms, where they were forced to eat government subsidized foods- a horror that many serfs to this day refuse to talk about.

John does his warm-ups!

Stretch to the music!



Lenny waits for roll call to be taken.



Bob hangs in there.

Terri just loves aerobics.

The injured and the 'I forgot my gym clothes people' sit this one out!

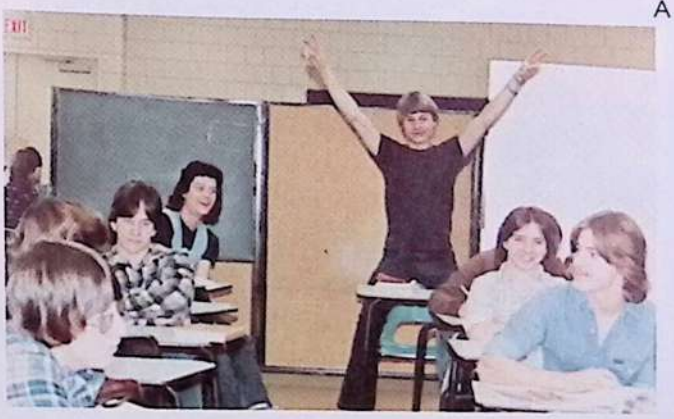
Some vassals had the particular custom of making their serfs change from their paupers' garb into foreign looking 'gym clothes'. This the peons never understood, usually having to repeat the procedure Wednesday after school.

Jim, an extremely talented serf.

Nevertheless, these peons I speak of did not lead a life of total oppression. The highlight of their careers was the "Feudal Bash" held high atop a hill in a castle overlooking a lovely river (Laube Hall is the name of the magnificent castle.) The serfs worked vigorously on their "Bash", a celebration unmatched by any predecessor.

Bobbi, Terry, Lisa and Shawn take a break.

A well-done Senior Float, the Mark of a Super Senior Class!



Mike goofs-off in English class.

Spirit-filled seniors!

Working in metal shop

Here we are world!

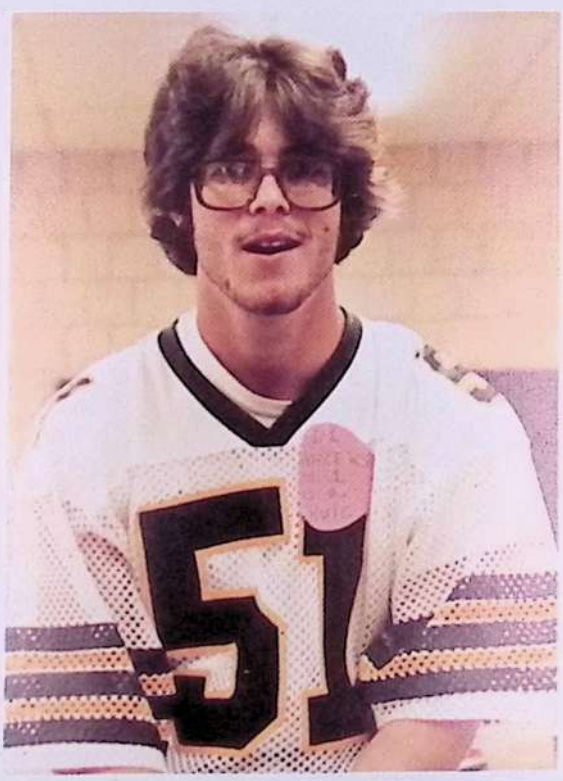
A special friendship.

The peasants also devised their own forms of entertainment in the guise of the Junior and Senior Class Plays. Such majestic performances were enjoyed by Lord and Lady alike!

Smiling pretty.

Cathy keeps busy.

Greg relaxes



Takin' it easy . . .

All bundled up

Working together.

Don't take my picture!

Friends forever and ever!

Jim shows concentration.

(Right) Sharing a laugh.

Teachers are always around to help.

How long do I have to sit here?

It seemed that just as the serfs were beginning to accept (maybe even enjoy) this structured life, it was abruptly ended. At last the day had arrived when they completed their feudal duties and were knighted . . . June 10, 1982, A.D., to be exact!

Mr. Vokish, Mr. Ferraro chat with the gals.

Teachers are persons interested in helping people . . . to improve student skills, increase their knowledge and to prepare them for the world and life ahead.

Deer Lakes High School teachers are more than classroom educators' . . . they are friends and support persons for the students they encounter. Thank you, DL Faculty and Administrators, for doing your lessons so well. We especially appreciate when you join us in Spirit Week Activities, Assembly Antics, chaperone our events, cheer at our games, and coach and sponsor our extracurricular events.

We couldn't do it alone . . . and that's for sure!

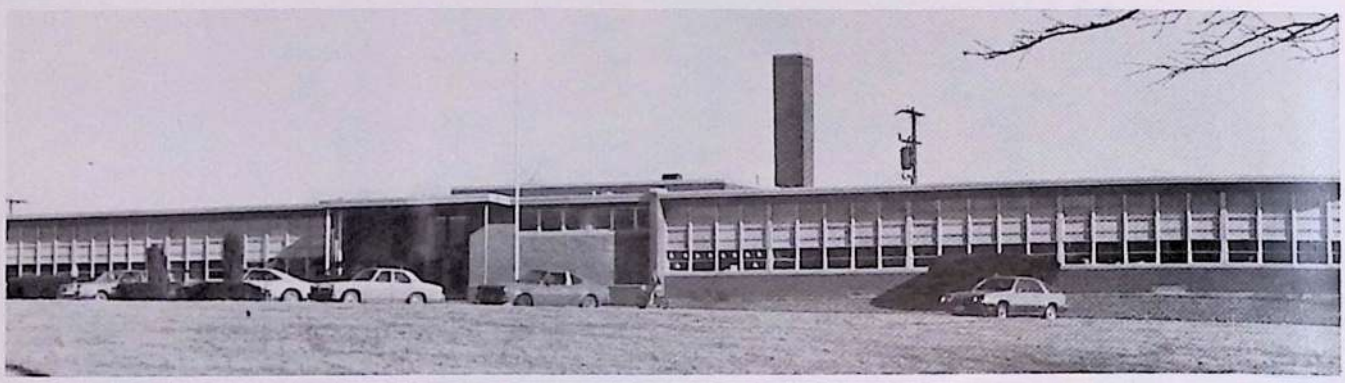
# DEER LAKES SCHOOL DISTRICT

Townships of
East Deer
Frazer
West Deer

Location
Allegheny County
Time
1925-1982

## SCHOOL ORIGINS

West Deer Township was mainly a rural community. Population centers in the township were mainly clustered around the sites of the coal mines, the predominant industry of the community until the 1960's. The rural vastness of West Deer was interrupted by housing developments that started during the 1950's (Magill Heights, Fawn Haven and Deer Park during the 1970's). Children of the West Deer Communities attended elementary schools akin to the population centers, Curtisville, Russellton, Bairdford, and E. Union Elementary Schools.



Curtisville Elementary School

Bairdford Elementary School

East Deer with its hilly terrain but convenient access to rail-water-highway transportation developed as an industrial area. Children attended a single elementary school presently identified as the JFK Elementary School located within the population center, Creighton.

Frazer Township, mainly rural, scenic but not heavily populated officially merged with East Deer Township in 1948, beginning the East Deer-Frazer School District (EDFRA).

# . . . A BREAK IN TRADITION

The first high school built within the three districts was East Deer, in 1925. East Deer High School became a four year high school in 1939. When the East Deer-Frazer merger occurred, grades 9-12 were educated in the single building located along Route 28 in Creighton.

In 1943, West Deer High School opened its doors to West Deer Students. Prior to the construction of WD, students desiring a high school education had to provide their own transportation to surrounding high schools, East Deer, Tarentum, Springdale, Etna. Vocational agriculture classes were taught as part of the early curriculum of West Deer.

As a result of state department legislation, a merging of the two school districts, East Deer-Frazer and West Deer, took place in 1969, marking the beginning of the Deer Lakes School District. In 1973 the present Deer Lakes Senior High School was completed. The building, located in West Deer Township, was considered a central location for students of the three townships. Grades 9-12 were contained in the senior high building. The former West Deer High School was renovated to accommodate DL Junior High School students, grades 7-8. Eventually the former East Deer High School building was sold, Russellton Elementary School was closed, and the Deer Lakes School District operated during the 70's with a complex of four elementary and separate junior and senior high schools.

As the decade continued, population within the communities increased somewhat, but later in the 70's the student enrollment in the schools began to plummet. The first graduating classes of DLHS graduated 300 students. By 1981 the senior class ranks had diminished to 240 students with lessening class numbers persistent throughout the lower grades. Changes had to occur withing the education structure again.

Pictures above show DL custodians constructing the individual classroom walls in the open space area. Walls were also erected in a large science classroom area.

## . . . Changes Bring Challenges . . .

A combination of woes, local economics, inflation, community input, declining enrollment, less state and federal financial support, were among the factors responsible for triggering changes approved by the Deer Lakes School Board in the spring of 1982. With information provided by a citizens advisory committee, influence of appealing and concerned citizens, and local school district data the following revisions, effective for the 1982-83 school year, were confirmed:

(1) Bairford and Curtisville Elemtary Schools would close their doors at the end of the 1982 term.

(2) The Deer Lakes Junior High School would contain facilities for grades 3-6

(3) Grades 7-12 would be accommodated in the Deer Lakes Senior High School building.

In all remaining buildings, adjustments were necessary in order to accommodate the different age groups and numbers of students. Reorganizing of materials and equipment took place during the summer, but the most drastic structural changes were completed in the senior high school during the spring of 1982. The second floor open space teaching area was converted to 15 individual classroom units. While junior and senior high school students will co-exist in the single building, scheduling of classes for these groups was to be effected to retain the JHS-SHS segregation as much as possible.

As the controversy, discussion and resolution of the problems pertaining to the new arrangement for the Deer Lakes School District coursed its way through the minds and thoughts of all concerned, students, administrators, teachers, board members, citizens and parents, a definite streak of optimism was prevalent, too. We sometimes resist changes to existing conditions because we fear losing something we believe to be very effective and functional. Yet, changes in all three communities occurred in the past. Changes in existing patterns and the ability to deal with them effectively are common phenomena of life.

Thus, as the final strains of "Fiddler on The Roof" (a musical descriptive of a family-community stresses related to forced breaks in long established tradition) echoed its chords on the DL auditorium stage, an analogy can be made to our own circumstance. Tradition, a beautiful sometimes convenient code to which we can cling, is not always enough to allow present existence and progress to occur. **On the other hand,** the changes and decisions we make today become the challenges of tomorrow!

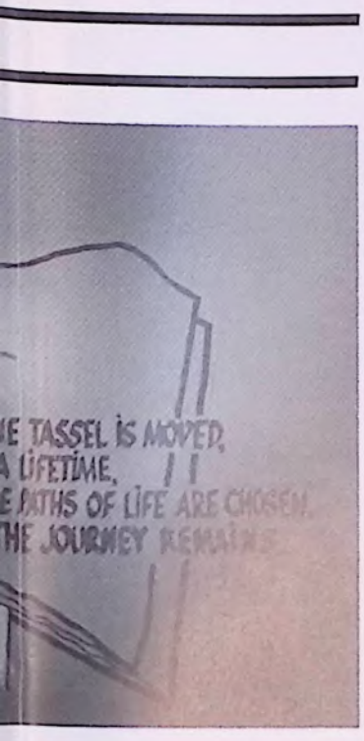
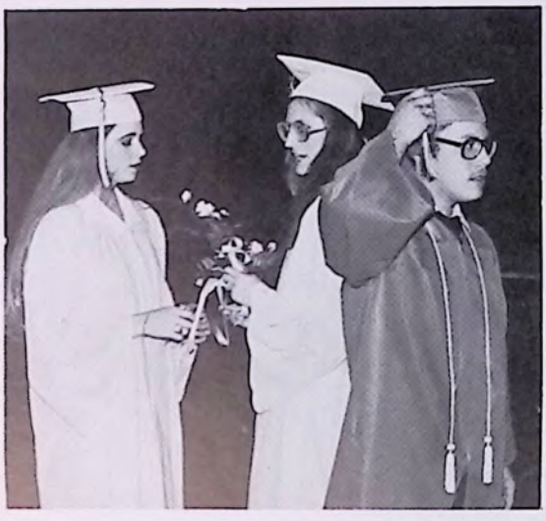
Right: Brad and Kim

Anticipating the moment.

I'm gettin' cranky.



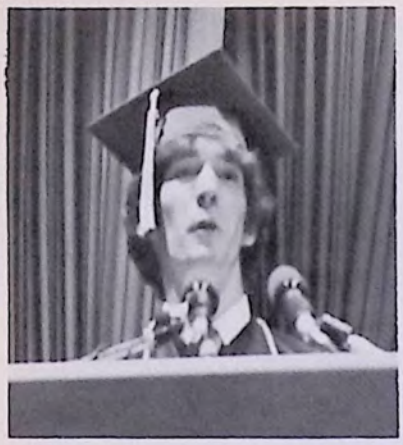


Sean, it isn't time yet!

Friends and happy times.

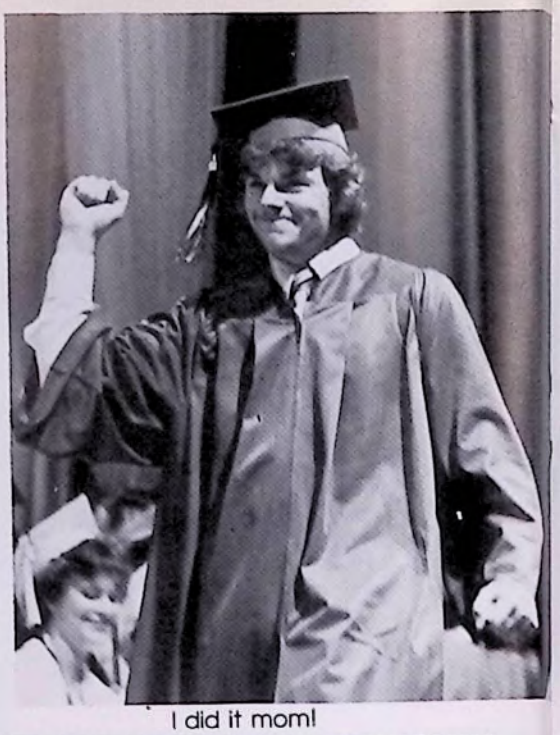
Below: "Hey, does anyone know how to put these hats on?"

Looks like we made it!

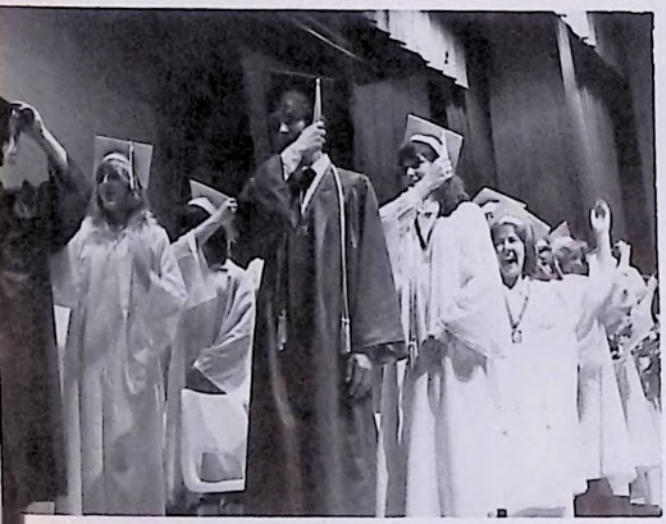


Dave Misera, Senior class president, addresses his classmates for the last time. After presenting the school with a follow-spot, Dave directed the tassel ceremony.

Anthony, before and after.

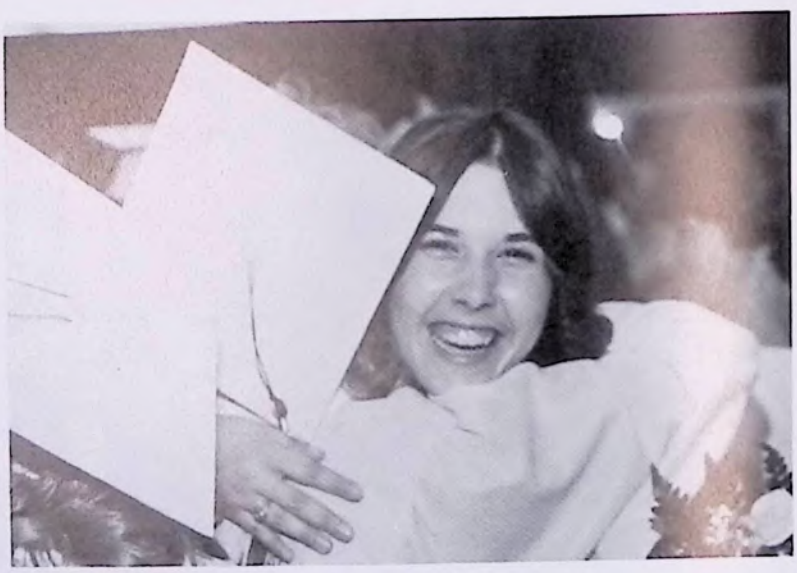


I did it mom!

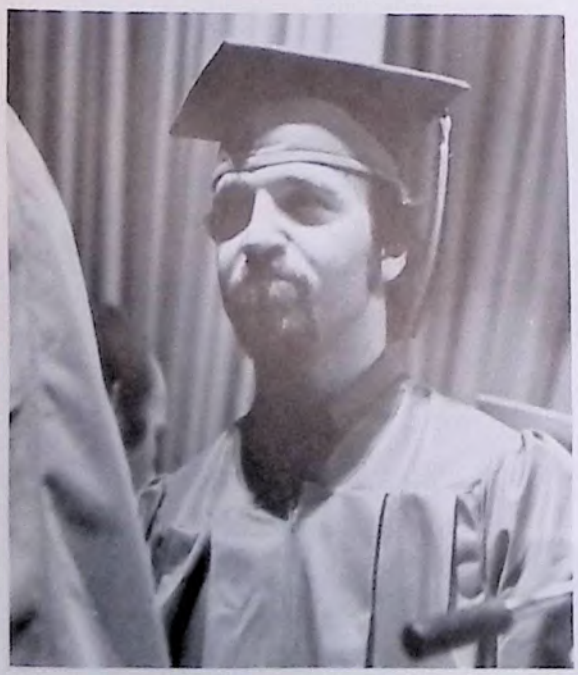


We done graduated!

Look out world — HERE I COME!



Tears of sadness and joy



We did it!! The class of 1982 was the first class that was Deer Lakes all the way!!!

# CHRISTMAS DANCE

Punk-out

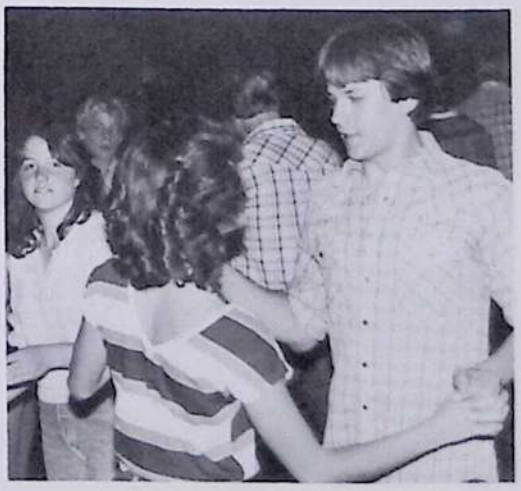
We're great.

D.J. — Rick Sadecky

Hey, Baby

smile pretty

Ho! Ho! Ho!



"You sure can dance"

On December 18, 1981 the sophomore class held the annual Christmas Dance. This year's dance was changed from the traditional semi-formal, to a regular school dance (couples not required). The dance took a lot of preparing and was a success due to appearances by D.J. Rick Sadecky, the local band, Vengence, and Santa.

# SOPHOMORE CANDIDS

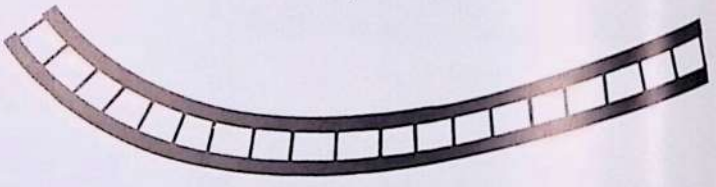
Sue, on stage.

This class looks happy, doesn't it?

Sexy-legs!

This year we learned how to color inside the lines.

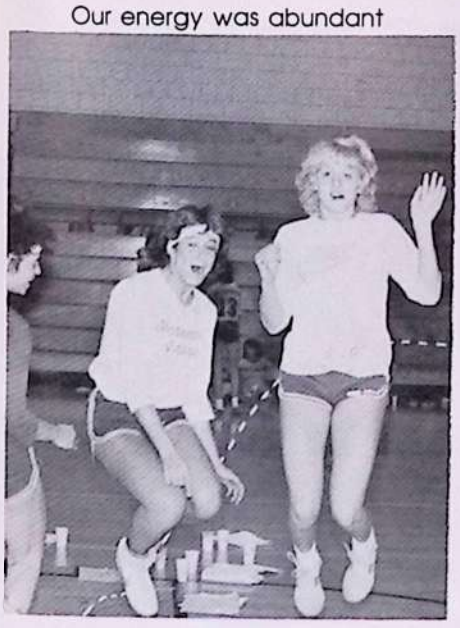
Kaye strives for perfection



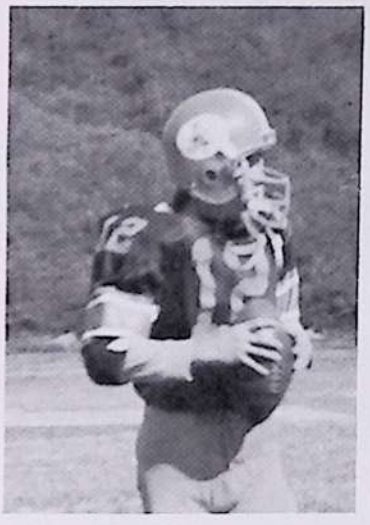
We took pride in our guys.

We'll only wear designer clothes.

Our energy was abundant



We had a "wild-side"



Kindly, we shared!

Gino, in a hurry?

"Sophomores!"

Quietly, we look ahead.

# MR. WILLIAM H. POWERS

## Gentle Touch

For thirty-six years, the gentle touch of William H. Powers has been administered to students of the West Deer Lakes School Systems. Mr. Powers entered the halls of West Deer in 1946 as a social studies teacher. During his teaching career, he taught English and also sponsored numerous organizations. Mr. Powers was a Junior Class Sponsor for five years and was responsible for directing five fun-filled and successful proms. He is also known for his success as the director of seven Junior Class Plays, and for directing the Junior Class Minstrel Show for two years. Mr. Powers also sponsored the Sophomore and Senior Classes for one year each. In addition, Mr. Powers supervised the Hall Patrol for three years and the Hi-Y Club for one year. For six years he has sponsored the Student Council. Mr. Powers has held numerous offices in the local education association. In 1968, Mr. Powers was appointed Assistant Principal of the Deer Lakes Senior High School.

## Guidance With Affection

Mr. Powers can be regarded as a firm disciplinarian who delivered discipline with affection and guidance. He always displayed a sincere interest in his students. Although his concern, supervision and guidance were not always recognized immediately, several generations of students have grown, developed and realized how significant a part he has played in their lives.

If it would be possible to establish a list of beautiful persons for the West Deer-Deer Lakes School Systems, Mr. Powers' name would appear at the top.

## Good Luck, Good Health, God Bless You

The administration, faculty and students describe Mr. Powers as a proud man, and a dependable, generous and loyal friend. He is truly a dedicated educator. Although Mr. Powers epitomizes a hard-nosed "crusty old Irishman personality," he is really a softie with a big heart of gold.

His charm and quick wit has delighted staff and students in a variety of circumstances. The genuine sincerity so characteristic of Mr. Powers has become his personal trademark.

Currently, Mr. Powers lives in Dormont, Pa. His five children are grown. His plans for the future will certainly, in addition to having more time to spend with his growing family, include more time to travel and practice his unique journalistic abilities.

Good luck to you, Mr. Powers, and thank you! For some of us the full effects of your efficacy have yet to be realized, and the rest of us deeply appreciate what you have given. May your retirement years be happy and healthful.

With Love,
The Administration, Faculty and
Student Body

## NINTH GRADE BOYS FOOTBALL

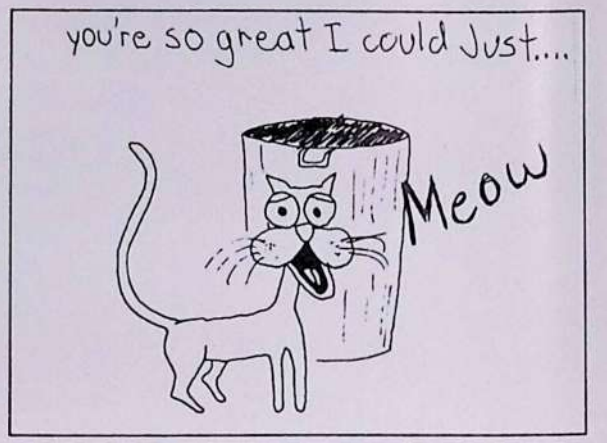
The NINTH GRADE BOYS FOOTBALL TEAM ended its season with a perfect 6-0 record. The victories were over Richland (48-6), Knoch (7-0), Freeport (34-24), Springdale (60-12), Mars (27-12), and Fox Chapel (19-16).

The high scoring, diesel-powered OFFENSE scored a total of 192 points in six games (an average of 32 per game), while the hard-nosed, stingy DEFENSE gave up only 70 points for an average of 11½ points per game.

Together these units worked in unison to lead the mighty GREEN and GOLD to the top of the stack in WPIAL JUNIOR HIGH FOOTBALL.

To try and single out the individuals would not do justice to the philosophy of this team and its coaches. We finished the season with 27 players, each of wome played an important role to achieve this high level of success. Each team member was willing to pay the price of success, and to make his contribution to the best of his ability. Each team member, manager, and coach realizes the extraordinary success enjoyed by the LANCERS this year was the result of execution, team work, and the overall united effort of all players toward the final goal.

This team has learned that "work" is the price of success, and now must work all the harder to ensure their future success in Varsity Football and the more important games of life.



## GIRLS VARSITY BASKETBALL

The DL GIRLS BASKETBALL VARSITY SQUAD had a competitive showing in 1981-82 despite the fact that Jenny Gromicko was the only senior on the team. The young LANCER squad lost to the section champions, Springdale, also the section runner-up, by two points. DLGB returns 7 letter winners next year and many section observers believe that 1982-83 could be the **YEAR OF THE DEER.** The season ended with 10 wins 11 losses.

## NINTH GRADE BOYS BASKETBALL

The NINTH GRADE BOYS BASKETBALL TEAM posted its second consecutive winning season of 10 wins and 6 losses, following last years 14-7 record. The mixed powerful rebounding, lead by Jimbo Yaconis, Tom McCarthy, Dennis Schiring and Archie Greer, a lightening fast break led by Al Schietroma and Dan McCallister led the team through the successful season. Following the regular season the team finished with a respectable third place finish in the YMCA Tournament posting key victories over Highlands and Butler and losing only to the champion, Kiski.

Leading scorers for the season were Jimbo Yaconis and Al Schietroma while Yaconis and Tom McCarthy were the leading rebounders.

## 1982 TOP TWENTY SENIORS

# MR. WILLIAM G. KERNAN

While presently a resident of Pittsburgh, Pa., Mr. Kernan received his elementary education at St. Scholastica School, and Aspinwall High School, Aspinwall, Pa. His undergraduate and graduate studies were completed at California and Edinboro State Colleges. After teaching social studies and industrial arts at Export High School, Mr. Kernan joined the West Deer School System in 1954 as an industrial arts teacher.

His classroom assignments for the West Deer and Deer Lakes Schools included wood shop, electric shop, metal shop, print shop, home mechanics and driver's education. Throughout these years Mr. Kernan was also active in extracurricular activities. In addition to coaching football, Mr. Kernan served as a faculty sponsor for the senior class, industrial arts club and electronics club.

Outside of school, Mr. Kernan enjoys traveling, spending time with his family, participating in church group activities and serving as a volunteer at the St. Barnabas Home for the Handicapped.

Mr. Kernan has always possessed a perceptual personality; he routinely demonstrated his concerns for all students, especially the under privileged, under achievers, handicapped and disadvantaged. Often times, Mr. Kernan put in long hours after school and on Saturdays to accommodate his students. Not only was he a patient, tolerant instructor, but also one who was able to recognize a student's problems and **help** by listening, counseling, offering encouragement and most important enabled the student to find a lvel of confidence for himself. Mr. Kernan was one of the first teachers in the area who encouraged girls to take shop classes.

If there were criticisms to be made of Mr. Kernan, they would be "he was overly tolerant, understanding — just too nice of a guy!" By far the most admirable aspect of Mr. Kernan's lifestyle and teaching is the fact that he practiced daily a philosophy he believed — one that in a multitude of ways demonstrated his sincere concern for his fellow-man.

We have all appreciated your generosity of talent and heart, Mr. Kernan. May your retirment years be generously rewarded with good health, happiness and exciting new adventures.

Sincerely,

Deer Lakes SHS Administration,
Faculty and Students

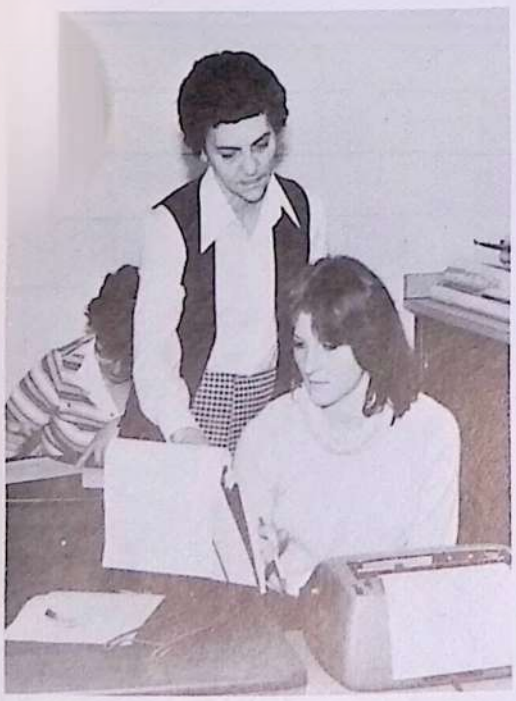
Drama Productions . . . long after school hours are needed to put our "acts" together.

Yearbook staff members kaye and Marta work after school on the Accolade.



With practice corne criticism and correction.

Beauty makes practice fun (for the boys).

When trying to make the best shot count.

Sometimes the only way to do it is alone.

There's only 10,000 more to do.

# PERFECT

Don't practice too often.

Scoring that winning point . . . Yea team!

When trying to hit the right key.

Our expert team of Coke testers reject another sample.

Laying out the winning game plan.

Well, somebody likes it . . . Perfection!!

# PATRONS! PATRONS! Beautiful Patrons!

The 1982 ACCOLADE Staff did it again . . . but, not alone . . . only with the absolutely terrific support from all DL Lancers are we able to report this year as another 'success story' for the Accolade. We had more student entrees in the AD CONTEST than ever before. Almost 150 students were awarded free yearbooks for accumulating $30.00 or more in ads. Super success stories for individual totals exist for Aurora Fischer ($500.00+), and Bill Bright ($250.00+). It was breakfast for Mrs. Sasala's Shrimps and dozens of doughnuts for Miss Barch, Miss Kraft, and Mrs. DiGirolamo and their classes.

The 1982 Accolade is the largest yearbook published in the area for a school our size. There are no limits to our growth! The purpose of the Accolade is to represent you, the people belonging to Deer Lakes High School, and we need to tell the story as completely as possible about the events belonging to each school year. The Accolade staff functions as your personal historian . . . we plan to **grow** and **grow** and **grow** . . . to accommodate the limits of your enthusiasm.

Welcome new staffers, seventh and eighth grade classes, junior high teachers . . . join us in the production of the '83 Accolade!

A special recognition need be given to super Business Manager, Luann Holsing and her assistants, Eden Moeller and Laura Neibar. Senior Editors, Lynne Kistler and Johanna Carion did an excellent job of holding our staff together. Marlinda Knoch is truly the 'master of all yearbook arts', while the following staffers stayed together to the bitter end . . . Patty McNally, Mary Wagner, Paulette Kurtiak, Dennis O'Connor, Glen O'Connor, Mary Szwaczkowski, Sherry Cendrowski, Karen Jenkins, Ann Fissore, Shelly Albaugh, Marta Braun, Mike Horchar, Tom Hibbs, Lynn Reina, Kaye Kistler, and more . . . # WEST DEER LIONS CLUB

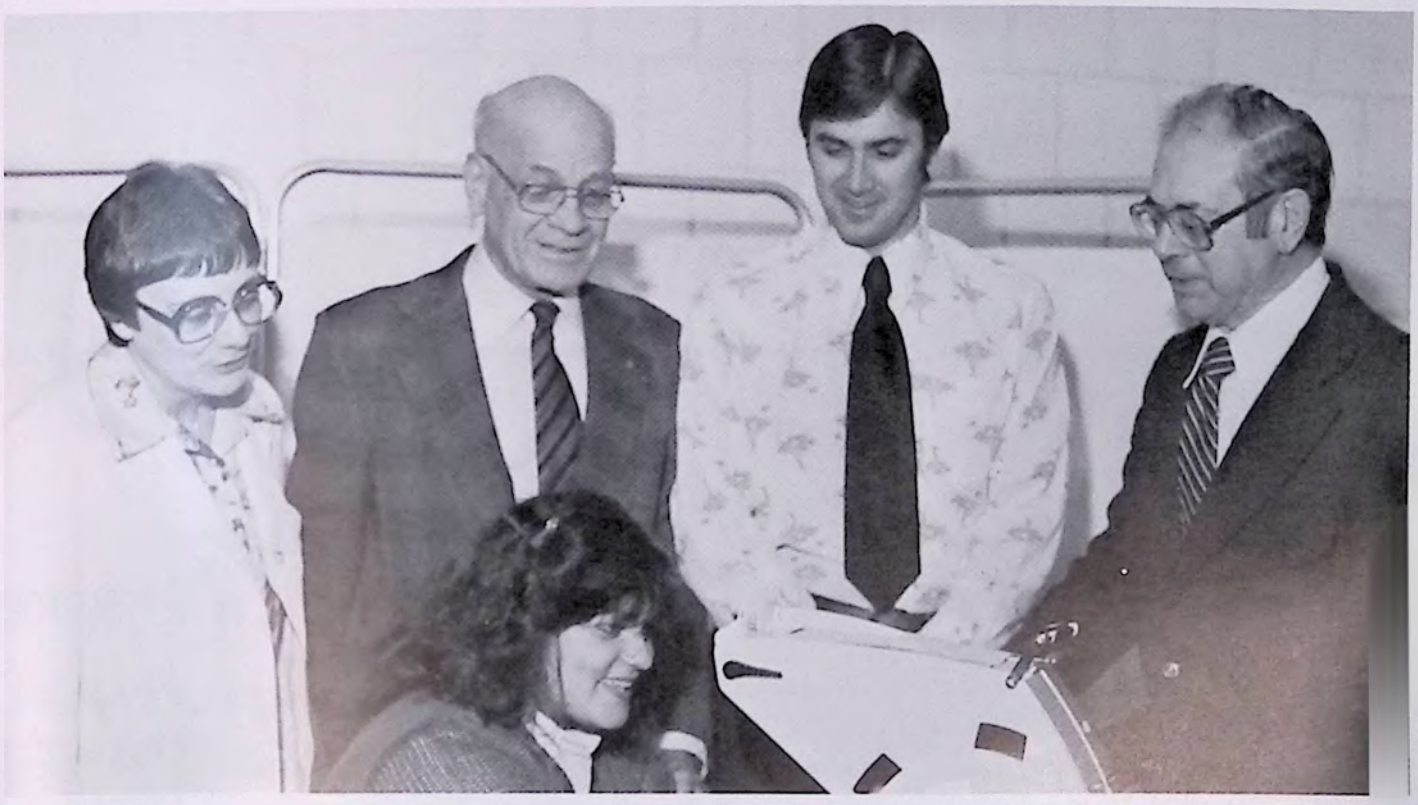
OFFICERS
President — Henry E. Morgan
Secretary — William E. Burns
Treasurer — Carl Szyroki



Deer Lakes junior, Terri Demko, demonstrates the Titmus Vision Tester. Standing behind Terri are Mrs. Billie Kolek, school nurse, Mr. William Burns, Lions Club Secretary (former Superintendent, Principal of West Deer) Mr. Andrew Staraniec, and Mr. Vincent Antonelli, faculty members.

# LIONS CLUB PURCHASES VISION TESTER

Thorough and up to date vision testing for children of the Deer Lakes School District is being carried out as a result of assistance from the West Deer Twp. Lions Club.

This years Lions Club purchased a Titmus Vision Tester. The unit has been delivered and is currently in use in the school district.

Billie Kolek and Patricia Rehner, school district nurses, explained that schools presently are required to do a basic vision screening on all school age children through use of a Snellen chart.

"The Titmus offers the opportunity to do more thorough examinations, with many advantages not found with the former chart method," they said.

Both the school district and the community at large have appreciated the successful endeavors of the Lions Club, through its vigorous sight conservation program, and in supplementing local efforts to maintain good vision.

# ACCOLADE CONTEST RESULTS

## D.L. Lancers give '82 Accolade a Super Send-off!

Ernie Koberlein, Aurora Fischer, Bill Bright, Rob Buckey.

Thanks Lancers for supporting the '82 Accolade . . . This year your efforts raised over $7,000 toward a yearbook that will cost in excess of $12,000. More than 125 free yearbooks will be awarded. Everyone helped . . . we certainly appreciated the support business and community patrons extended to us. Students, facutly, administration, and our parents were part of our newly established tradition. We are proud!

# SUPER CANDIDS

I'm so confused!

Deer Lakes Dungeons and Dragons club conquers another country.

Stage crew's "ELECTRI MAYHEM".

Till our braces do part.

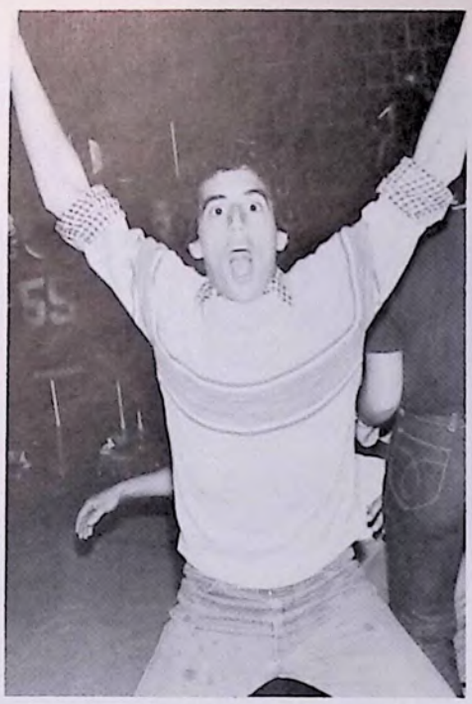
One Mr. Hyde coming up!

I think we overcooked him.

Parlez-vous what?

Describing last night's date!

May I have this dance?



Oh my gosh! I lost my traveller's checks!!!

I think I saw something moving in this.

Not just another pretty face!

Someone raise the floor, I can't see.

Have I got a proposition for you!

What do you mean it has to be single-spaced?

Our Little Angel.

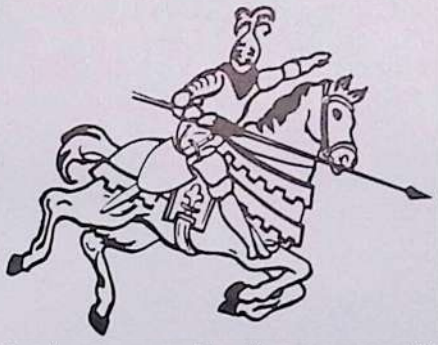
Down with school lunches!

AAAAAAAAAAAY!

# WE KNOW... WE HAVE WHAT IT TAKES...

## SOCCER TEAM SUMMARY

The DL SOCCER TEAM ended the season with 5 wins, 10 losses and 4 ties. A total of 22 goals were scored against 39 scored by the opponents. Highest goal scorer for the season was Paul Chauvin with a total of 11 goals and 2 assists.



## BOYS VARSITY VOLLEYBALL

The LANCER BOYS VOLLEYBALL TEAM created a stir among their section teams, ending the season with 9 wins and 3 losses. Farrell and North Allegheny claimed positions one and two in the section. During tournament sessions, DL won a first place trophy at the Peabody, and Deer Lakes Tourney and second place at the Elderton Tourney. Dennis Lindgren was elected MVP at the DL tournament, and also chosen for the WPIAL and SECTION ALL STAR TEAMS. Keith Smith was nominated to the WPIAL ALL STAR TEAM.

## NATIONAL MERIT COMMENDED SCHOLARS

Maureen Coogan, John Noble and Frank Yenca achieved National Merit Scholar Commendations. These students were among the top 36,000 receiving the recognition, out of 1.2 million students taking the test in 18,000 secondary schools across the country. Commended Scholars represent the top 5 percent of Merit Program Participants!

## JUNIOR VARSITY GIRLS BASKETBALL
